SILO THEATRE TRUST WELLBEING / HAUORA COMMITMENT 2026

The health, safety, and wellbeing of Silo Theatre staff and contractors lies at the heart of everything we do. This is reflected in our values (see Silo Theatre's 2027 - 2040 Strategic Document), Silo's Code of Conduct and our rigorous health and safety protocols (See Silo Theatre's Health & Safety Management system).

We offer our staff and contractors (including creative practitioners and independent artists) access to three free counselling sessions via the XERO XAP Programme. This underlines Silo's commitment to holistic approaches to wellbeing and recognising the significant impact the pandemic has had on our workforce.

Tim Blake
Silo Theatre, Executive Director
January 2026
